

# Photo Release Form

Pack 72 is seeking approval to have photos and/or videos of Scouting activities included on the website [www.pack72.com](http://www.pack72.com). These photos and/or videos will be used in keeping with the BSA rules and guidelines for internet publishing. All photos taken for the expressed use by the Pack during Scouting events must first obtain a signed release form from any Scout, parent, adult leader, or member of the public who is visibly recognizable in the photograph or video. Crowd scenes where no single person is the dominant feature are exempt.

These rules govern photographs and videos intended for use in any Pack 72 publication of marketing or a public relations nature, such as newsletters, brochures, viewbooks, promotional items, or any other such material. Releases also must be obtained for photographs and video used on the web. These rules are not in effect when photographs or videos are taken of news events, but photographs taken for news purposes require a release for reuse in marketing materials.

I hereby grant Pack 72 with Evangel Presbyterian Church the right and permission to use and publish the photographs, videos, and/or the electronic representations of such, taken of any of my family members at Scouting events. No names or personal information will be used in conjunction with the photographs. I will make no monetary or other claim against Pack 72 or Evangel Presbyterian Church for the use of the photographs and/or videos. If I choose to revoke this permission I will submit it in writing to a committee member and the photos of my family members will be removed within 10 business days.
